SMILING IS NOT A CRIME

INTRO/WARNING is what you say what you really think? Is what you say what you really believe? smiling, crying, loving, hating, waiting, questioning everything **COLORS** nothing is black or white there are more things between us there are more things than black or white, there are more things than two sides, more options, more points of view, more options more things to do, more reasons to live this life nothing is so dark and nothing is so clear. **PLEASE** trying to fight, my own ignorance, to do it right to do something worthwhile, not to finish weighed down, but I can only hear you like a mace, complaining everyday, move on and do it, wake up, and do it, or shut up! **SMILING IS NOT A CRIME** do you really think that it's all so fucked, that in your free time, you can only cry, don´t worry, it's easy if you don´t wanna fight, it's easy, so easy suicide, do you really think that it's all so dark that you´ll never see the light, smile it´s not a crime, and they never wipe it off, because in the end everybody dies SMILE!. **ENERGY** we say stand together!!! **LITTLE HIGH CLASS** you look down at everyone over everyones´s shoulder, you are really full of yourself but you can´t fool nobody, little high class little piece of disease, little piece of shit, we are screaming loud but you´ll never understand it **TAKE WARNING Ander** - Guitarra, **Lonami** - Batería, **JRA** - Voz, **Mapel** - Bajo, **O´Sullivan** - Guitarra
